Join Mississippi Blood Services for our "Hometown Heroes Blood Drive" Thursday and Friday, August 11 and 12, at Dogwood Festival in Flowood. We are honoring our Firefighters and Law Enforcement Officers who put their lives on the line each day. This drive will kick off our commemoration for the tenth anniversary of the attacks on the Twin Towers.

In conjunction with the drive, Mississippi Blood Services will donate one dollar to The Burn Center Lodge for each unit of blood collected August 11 through September 11. The Lodge houses families whose loved ones have suffered severe burn injuries and are receiving care at Crossgates/River Oaks Hospital in Brandon.

Show your support for our local heroes by becoming one, too. Donate blood at Mississippi Blood Services and be someone's hometown hero.
